### SALES, TERMS AND CONDITIONS

#### **PAYMENT:**

CREDIT CARDS: Please list all numbers on credit card, expiration date, 3-digit CVV code on back of card and the name of the card holder.

C.O.D.: An additional \$8.50 C.O.D. fee is charged in addition to shipping and handling fees.

#### **SHIPPING:**

All shipments are made my United Parcel Service. UPS is available to the 48 continental states, Hawaii, Alaska, Puerto Rico and the provinces of Ontario, Quebec and British Columbia. Federal Express or Emery Air Freight shipments are available upon request only. Please note that shipments to Hawaii are sent UPS Blue Label Air Only.

Canadian shipments which can't be shipped by UPS are made via United States Postal Service and are subject to additional shipping charges.

If a C.O.D. order is refused and the package is returned to us by UPS, the customer will be liable for all the shipping charges incurred before reshipment.

Any items damaged or lost in shipment are the responsibility of the carrier. Inspect all orders upon receipt. In the event of damage, retain the shipping carton and packing material. Promptly notify the carrier and request a damage inspection. The carrier will evaluate the claim and contact us if necessary.

#### **ORDERS, BACKORDERS AND RETURNS:**

Orders are taken over the phone, by mail, e-mail, fax or in person. If you are planning to pick up your order, please call us in advance to place the order and to let us know what time you are expecting to arrive. All upholstery and sheet metal orders are custom made to order and take approximately 3 weeks for preparation and require a 50% deposit at the time of the initial order. If you are planning to mail your order, please be sure to give us complete car information: model, make and year.

On all back orders, items which are temporarily out of stock, you will receive notice on the invoice enclosed in your order. Please advise if you wish to cancel the item(s) indicated. Any items that are not cancelled will be shipped when available. There is a 20% restocking charge on any items not cancelled prior to the shipping date.

We must be notified within seven (7) days upon receipt of your order if there are any errors or defective merchandise for return credit. Returns must be authorized and must be shipped prepaid to our street address. Returns due to customer error are subject to a 20% restocking charge and all shipping charges. **There are no returns on electrical, upholstery and/or custom made items unless they are proven defective or the incorrect merchandise is delivered.**

All parts are guaranteed for workmanship and materials. Guarantee does not cover faulty installation by the customer.

#### **TECHNICAL ADVICE:**

Free technical advice will gladly be given for any problem or project. We ask, however, that you do not use the toll free order line for technical calls, please call us at (401) 539-3010 only.

## INTERIORS

All of our upholstery is custom fabricated in-house by own Master Upholsterers. John and Frank have over 70 years of combined experience with automotive upholstery and work with precise patterns we have developed over the past 20 years.

We use the finest materials and supplies available, period. Our materials, colors and finishing touches are authentic and the detail and fit are perfect.

Our rug corners are mitered, our convertible tops are topstitched and our replacement seats are exactly as original with the proper number of pleats on different models. The individual pleats are handcut and matched so that when the seat is sewn and assembled, the grain of the leather on all of the pleats matches. Our trunk panels, vinyl kits and door panels are superior to the original. In order to eliminate warp and delamination, which is common in the original panels, we do not use cardboard or thin plywood.

All of our upholstery products are crafted with perfection in mind and are of show quality, regardless of whether or not they will be installed in a show car.

If you intend to replace all of the leather pieces in the interior, it is advised that you have all of them done at the same time, thus ensuring a correct dye and color match.

The choices of material colors are as follows:

**Leather:** Red, Black, Blue, Grey, Tan, Suede Green, Russet, New Biscuit and Old Biscuit.

**Wool Carpet, High Pile:** Red, Black, Dark Blue, Grey, Tan, Green, Russet, New Biscuit and Old Biscuit.

**Hardura:** Red, Black, Dark Blue, Grey, Tan, Green, Russet, New Biscuit and Old Biscuit.

**British Vinyl:** Red, Black, Blue, Grey, Suede Green, Russet, New Biscuit and Old Biscuit.

**Moquette:** Red, Black, Blue, Grey, Tan, Suede Green, Russet, New Biscuit and Old Biscuit.

**Canvas (Stayfast):** Black on Black and Tan on Tan.

**German Cloth:** Black on Tan, Tan on Tan, Dark Blue on Tan, Dark Brown on Tan, Grey on Grey and White on Tan.  
(GERMAN CLOTH IS NOT STOCKED)

**Wool Broadcloth Headliner:** Grey, Camel and Green.

## UPHOLSTERY KITS

## REBUILT SEATS

Our seats are furnished with leather piping and leather side panel trim pieces. This is done to ensure no color difference between materials due to aging in years to come.

We offer a complete rebuilding of your seats. We must be furnished with the originals: Crate properly and ship (we suggest UPS).

Rebuilt seats have the seat frames sandblasted and painted, new foam pieces and cushions installed, and new leather seat covers fitted. New rubber seat bottom diaphragms can be supplied at additional cost if required.

Rebuilt center consoles are recovered in leather, the cubby box is relined, and a new center cover and shiftboot are installed.

**CONVERTIBLE TOPS**

We make convertible tops that are precise reproductions of the original. They are made with folded, reinforced and top stitched borders as original.

Our early cloth tops are available with or without the lead filled anti-drum bag. The shot filled bag was added because the top vibrates and make noise.

The later Series II vinyl tops are available with or without the anti-drum fitting as original. All tops have the metal reinforcements with leather or vinyl as original.

### WOOD PRODUCTS

#### Convertible Top Pieces

Our wooden top bows and tack wood are made of solid African or Honduras Mahogany with a minimum number of laminations. This wood is the best for holding tacks and resisting decay.

Some bows may warp slightly and the car frame configurations may vary. Nevertheless, if handled properly, all bows will attach readily to their frames.

<b>Harmonic Balancer</b>			<b>Miscellaneous</b>		
Our rebounded dampers are sold on an <b>exchange</b> basis only and can be shipped immediately from our stock. If you desire to have yours rebounded, turnaround time is approximately 8 weeks.					
All pieces are stripped, blasted and rebounded with a modern blend of rubber (as used in the aircraft industry) using modern tech- niques of metal bonding. They are guaranteed against separation. It is necessary to rebalance the engine. The timing marks on the damper should be set up with a dial indicator and degree wheel if the engine does not have the timing mark arrow on the flywheel.

#### Literature

During the past years, we have acquired a fairly extensive library of Service Manuals, Spare Parts Catalogues and other Assorted Literature. We have decided to make these available for our customer's convenience. They are being offered Spiral Bound and on excellent quality paper with very good reproductions of the original drawings and prints. Many of these have not been offered before and are very useful to have.

The following list is available now with many more in production. If you don't see your manual, call in inquire about availability.
